### REMINGTON, INDIANA

Prices for 1926-'27 All former prices are cancelled. Prices quoted here are for good, healthy roots with from 3 to 5 eyes, good, standard size roots.

The 2 to 3 eye divisions will have from 2 to 3 good eyes, and equal to or better than the average 2-eye division sent out. I do not send split roots as they are very unsatisfactory. In fact, I would advise all to purchase standard size plants. Order early as some of the rare varieties are very scarce. Orders will be filled in rotation as received. Be very careful in writing your name and address plain. Send remittance with order, or satisfactory reference.

While we use the greatest care to have all plants furnished by us true to name and will replace any that may prove untrue, no sale by us carries a warranty of quality, express or implied, and for any error we shall not be liable for more than the purchase price. Every purchase from us is made on these terms.

Luther Burbank says: -- "No other so thoroughly practical, well edited and generally interesting."

THE FLOWER GROWER is all that the name implies AND MORE. It tells all about flowers and it tells many other things of interest to those who aspire to better living conditions and more beautiful surroundings. Teaches balanced activities and a sane perspective.

Tells about the Rose, Dahlia, Iris, Peony, Gladiolus, wild flowers and other flowers. Questions and Answers; Odds and Ends; Musings; Timely Suggestions; Wayside Ramblings; Our Birds; and many other interesting and helpful things. THE FLOWER GROWER has an editorial department and an editorial policy, which is strangely lacking in most magazines.

Up to sixty-eight 9 x 12 pages. MORE floral facts and information than any other magazine. THE FLOWER GROWER is easily the foremost floral publication in the world.

Your reading of twelve issues of THE FLOWER GROWER will convince you that you cannot be without it and I will surely have you as a permanent reader.
